DPD-7439-59

MEMORANDUM FOR: General Counsel

SUBJECT : Request for Legal Guidance

REFERENCE : A. DPD 6620-59, dtd 20 Oct 59, Attached  
B. DPD 7037-59, dtd 26 Oct 59, Attached

1. I would appreciate it if you could review the two attached memoranda which separately deal with two of our major headaches, with which I believe you are reasonably familiar: (a) union implications of the DPD industrial security program; and (b) legal aspects of ownership of tangible and intangible products residual from a terminal contractual agreement.

2. The first of these questions involving the union is, of course, the more immediate one. A meeting is scheduled for 2 November in Los Angeles with suppliers for Project OXCART, and I am almost certain that the question of union grievances will be discussed. Consequently, any views that you could transmit to us by the close of business 30 October will be greatly appreciated.

3. Should you feel that an additional discussion is required with any of the DPD staff, would you be good enough to get in touch with me.
